AEROBIOLOGY & EVALUATION LABORATORIES

ABSTRACT

This volume contains citations of 57 technical articles published by scientists associated with the Department of the Army, Fort Detrick, Frederick, Maryland. They are listed by reprint number and cross-indexed by subject and author.

This publication may be released to the general public. Additional copies of the Reprint Accession List and the listed reprints may be obtained from Technical Releases and Editorial Branch, Technical Information Division, Fort Detrick, Frederick, Maryland 21701.
